

Brand Guidelines | Version 1.0

The Logo

The double-loop “B” symbol and the wordmark work together as the primary lockup.

Primary lockup – use by default.

Symbol – app icon, avatar, favicon.

Wordmark – when the symbol appears nearby.

Stacked lockup – square or tall spaces.

Clear space & minimum size

Keep a margin of X on every side, where X = cap-height of the “B” in “Budget” (about 45% of the lockup height).

Minimum sizes

Primary lockup: 24 mm print / 120 px digital

Stacked lockup: 18 mm print / 90 px digital

Symbol alone: 6 mm print / 16 px digital

Wordmark alone: 20 mm print / 100 px digital

Colourways & backgrounds

Full-colour on light backgrounds; white on dark or saturated backgrounds; one-colour versions only when colour printing is not possible.

Typography

Poppins is the recommended brand typeface (free, Google Fonts). The logo wordmark is artwork – never retype it.

Plan every rupee.

Headlines – Poppins Bold

Budgets that fit your life across Bharat

Sub-heads – Poppins Medium

Body text is set in Poppins Regular at 10–12 pt in print and 14–16 px on screen with generous line spacing for easy reading.

Body – Poppins Regular

For Hindi and other Indian-language text, pair with Noto Sans Devanagari (or the matching Noto Sans script). Sample copy above is placeholder, not approved messaging.

Logo misuse

Do not alter the logo. Always use the supplied files.
